Santa Gertrudis de Fruitera / Finca

Bambuddah-Heights (Finca Bloom) will be a perfect hide away high on top of a hill with amazing views over the countryside and far sea views, but yet close to the lovely village Santa Gertrudis and on a short drive from both Santa Eulalia and Ibiza. The property is designed by Blakstad and has a large plot of land of 28.000 square meters. The license is approved and the construction has started of this stunning Ibiza style one floor villa of 440 square meters. In addition there will be a basement of 200 square meters. In total there will be 5 bedrooms, all with their own en-suite bathroom, spacious living room and kitchen with sliding doors opening up to the terraces and pool area outside. The pool will be 70 square meters. This quality home will offer lovely rustic features mixed with modern comforts. Plenty of light and space to enjoy. The property is expected to be complete by the end of 2022. Please contact us for more detailed information and the possibilities.
